## ABOUT

Recent coding bootcamp graduate at Le Wagon Berlin with a background in brand design. Over 5 years of experience working as a graphic designer and 2 years as a freelance illustrator.

I am a very curious person, hardworking and always eager to learn, seeking for my first job opportunity as a front-end developer.

## PROJECTS

**PlanYourNight. A mobile app for planning your best night outs**  
[www.planyournight.xyz](http://www.planyournight.xyz)  
PlanYourNight was my final project at Le Wagon. My main task in this team project was design and implement a nice and useful UX/UI experience for the end user.
